

Pallet Bands

Case Study

Special Rubber Formulations
for Freezer, Outdoor, &
Warehouse Use

- NO DISPOSAL COST
- REUSABLE
- REDUCES LABOR COST
- APPLIES IN SECONDS

Pallet Bands

A Modern Palletizing Solution

THE PROBLEM

Single Use Stretch Wrap

- Wasteful
- Time consuming
- Expensive
- Requires Disposal

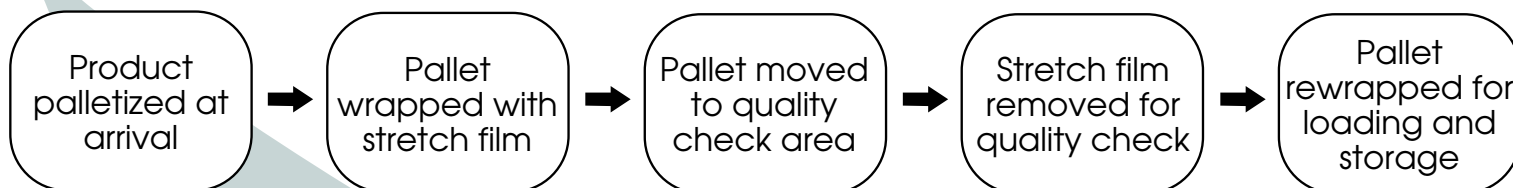

THE OBJECTIVE

Find a sustainable alternative to stretch wrap

THE SOLUTION

Make the switch to Rubber Pallet Bands

Existing Process

Proposed Solution

THE RESULTS

Pallet bands are a cheaper, faster, and more environmentally sustainable replacement for traditional stretch wrap for palletized product movement, inspection, and storage purposes.
